The student who provided you with this form is applying for the Raytheon Scholars Program that begins in the summer of 2008. The program is designed to promote interest in the areas of math, science and engineering and to provide students with the skills and confidence necessary to complete an Associate's degree at Pima Community College and transfer successfully to the University of Arizona to complete a Bachelor of Science degree in an engineering discipline. Upon successful completion of the program and degrees, the scholars will be employed by Raytheon. This is a rigorous program and the academic and time demands on the participants are great. The selection committee seeks references from individuals who know the qualifications and qualities of the candidate. Your comments are greatly appreciated and will be considered carefully prior to selecting participants. If you have any questions, please feel free to contact: Dr. Robert Riza, Pima Community College, Assistant Vice Chancellor of Student Services at (520) 206-4973 or email rriza@pima.edu.

Please return this form to the applicant in a sealed envelope and sign your name across the seal. Deadline for student to submit the completed application is February 29, 2008.
