The College is committed to ensuring institutional effectiveness through continuous assessment and quality improvement. Accordingly, the Governing Board delegates to the Chancellor the responsibility of establishing strategic planning, evaluation, development, and project-support systems to help the College fulfill its mission in the most effective and efficient manner.

The College's Institutional Effectiveness program shall include at least the components noted below:

- Mission fulfillment framework
- Integrated planning
- Assessment of credit and noncredit programs and services
- Assessment of student learning outcomes
- Assessment of operational effectiveness
- Assessment of student, employee and community satisfaction with the College
- Employee performance evaluation process
