It is with sadness that I inform you of the passing of one of our former students late last night in an apparent hit-and-run accident.

Antonia Calamia was hit by a pickup truck at about 11:30 p.m. near North Greasewood Road and West Speedway Boulevard, according to the Tucson Police Department. Antonia was walking in a paved easement area on the east side of Greasewood when the incident occurred. The vehicle then left the scene.

TPD is asking for information regarding the vehicle, a red or burgundy full-size Chevrolet or GM pickup. Damage to the vehicle could include a broken passenger-side headlight and damage to the front grille. Police are asking anyone with information regarding a vehicle fitting this description to call 911 or 88-CRIME.

Antonia was 24. Our thoughts and sympathies go out to Antonia’s family, loved ones and friends.

Lee D. Lambert,
Chancellor
