Student Attendance and Participation

Attendance and Participation:
Pima Community College recognizes that federal and state regulations require institutions to have a process to monitor and report student attendance. The College believes that attendance and participation throughout the term are essential to student success. Therefore, students are expected to demonstrate participation in and completion of coursework and to adhere to course attendance and participation requirements per course syllabi.

Drop Period:
During the Drop Period, all students are expected to attend and participate prior to the drop deadline. Students who fail to meet this requirement will be dropped from the class.
Unofficial Withdrawal:
After the drop deadline, students with excessive consecutive absences in the classes for which they are still registered will be identified as an Unofficial Withdrawal and the College will take appropriate actions. Unofficial Withdrawal may result in adverse consequences for the student.
