In compliance with Section 504 of the Rehabilitation Act of 1973, Americans with Disabilities Act ADA (1992) and Americans with Disabilities Act Amendments Act ADAAA (2008), the College shall provide students with disabilities, as defined by these acts, reasonable accommodations and services to ensure equal access to all College sponsored programming. In addition, the College shall continually identify and eliminate existing barriers for individuals with disabilities and shall allow for accessibility when adopting new programs.
