Earn your ADN and BSN in as little as 3 years

Our Concurrent Enrollment Program (CEP) was built for community college students like you.

It's fast

To earn a BSN, community college nursing students normally have to transfer to a four-year university, where credits are evaluated individually. With us, you'll transfer 87 credits for earning your ADN.

It's affordable

In addition to your transferred credits, you'll need just 33 credits to complete your BSN. That means you'll pay only for the classes you need — not repeats or general courses. Plus, we've lowered tuition to \$350 per credit for students.

MSN/Bridge

Take three upper-level courses and then choose the master's path that best suits your needs. Designed for RNs that have a bachelor's degree in an unrelated field, this program helps working nurses more quickly earn their MSN - in turn, saving time and money - and preparing you for new opportunities in your future.

RN-BSN
87 credit BLOCK
TRANSFER \$350 per credit

\$350 per credit unit Tuition: 33 BSN Core Units at \$350 per unit = \$11,550.00

5 + 1 Tuition Benefit: \$11,550.00 - \$1,050.00 = \$10,500.00

E-books: \$170 per course x 11 courses = \$1,870.00

Estimated Program cost = \$12,370.00

The Bachelor of Science in Nursing and the Master of Science in Nursing programs at the University of Phoenix are accredited by the Commission on Collegiate Nursing Education, 655 K Street, NW, Suite 750, Washington, DC 20001, 202-887-6791.

These degree programs include clinical courses or a practicum, which may not be completed in certain states. Please check with a University enrollment representative. While widely available, not all programs are available in all locations or in both online and on-campus formats. Please check with a University enrollment representative. The University's Central Administration is located at 4025 S. Riverpoint Parkway, Phoenix, AZ 85040.
