Veterinary Technician Program Application Form

Questionnaire

Please completely answer each of the following statements or questions to demonstrate your writing and critical thinking skills. For electronic submissions, each box expands. If you want to submit a paper application and need additional space to answer a question, you may attach additional pages as needed. There is no word limit.

1. What is your post-secondary education background? How many courses have you taken on average in a semester and why?

2. List any animal and employment experience you have that you believe is relevant to your pursuit of this career field.

3. Who do you believe has the role of being a voice for our animal patients? Why?

Veterinary Technician Program Application Form

Questionnaire (continued)

4. Veterinary technicians are part of a broader community beyond the walls of the veterinary hospital. Do you agree with this statement? Explain your reasoning with contextual examples.

5. Please share any further information about yourself that you believe makes you a strong applicant to this program.
