

# Logistics and Supply Chain Management (Basic) Certificate - Basic Logistics and Supply Chain Management

Full-Time, Fall Start

[www.pima.edu/logistics-cert](http://www.pima.edu/logistics-cert)

A Logistics and Supply Chain Management Certificate gives you an introduction to logistics and transportation skills and principles, including inventory controls and warehouse management.

Upon completion of the certificate, you can seek entry-level positions in Tucson's growing logistics sector or continue your education at Pima.

**Title IV Financial Aid eligible:** Yes

## What can I do with this degree?

**Career options:** Seek entry-level positions in logistics

**Academic options:** Continue taking classes toward Pima's AAS in Logistics and Supply Chain Management. See an advisor.

### **CHOOSE YOUR COURSES WITH YOUR COLLEGE ADVISOR**

## Placement

Students must Writing: ACL 080 > WRT 090 > WRT 154

meet prerequisite standards before taking WRT 154 required in the pathway below. If you are not prepared for these courses based on placement results, you will need to take courses to build your skills prior to taking them. The sequence of courses follows.

If GTM 105 and/or WRT 101 is chosen, additional coursework may be needed.

## Semester Pathway

This pathway is a suggested sequence of courses for your program of study. Work with an adviser to develop a unique pathway for you based on your placement recommendations, any prior college courses and your specific situation.
