PCC Releases Truth in Taxation Information

College releases budget information in advance of Public Hearing and Special Meeting June 14

Tucson, AZ – Pima County Community College District has released its Truth in Taxation information for the fiscal year 2023-2024 budget, in compliance with [Arizona Revised Statute 15-1461.01](#).

The College's proposed budget includes an already approved increase of \$3.00 per credit hour for in-state resident tuition and a proposed increase to the property tax rate to provide needed resources for the next fiscal year.

According to the Truth in Taxation information, the College is proposing an increase in the primary tax rate of 3.0% over fiscal year 2023-2024, as allowed by state law. The increase will provide approximately \$3.9 million in additional revenues. The proposed fiscal year 2024 combined property tax rate of \$1.2802 per \$100 of net assessed value will cause Pima County Community College District's primary property taxes on a \$100,000 home to be \$128.02 (total proposed taxes including the tax increase). Without the proposed tax increase, the total taxes that would be owed on a \$100,000 home would have been \$124.29.

The secondary tax rate is proposed to continue at zero as the College has no outstanding general obligation debt.

Details concerning the impact of this proposal, as compared to no increase in the property tax rate, are listed in the [Truth in Taxation notice](#) published in the *Arizona Daily Star* on May 30 and June 6, 2023. [Video](#) of the May 10, 2023 presentation to the PCC Governing Board regarding the proposed fiscal year 2023-2024 budget is also available.

The College's publicly elected five-member [Governing Board](#) will hold a public hearing on the [proposed fiscal year 2023-2024 budget](#), property tax rates, and levies on Wednesday, June 14, 2023.
