Salary Grade:

Position Summary:

The Assistant Vice Chancellor (AVC) for Finance will provide day-to-day management and leadership for the financial operations of Pima Community College. The AVC for Finance will foster innovation while providing administrative leadership and direction, setting goals and priorities, and reviewing financial operations and business functions. In addition, this position supports efforts to ensure financial information is transparent and accessible to all members of the College community and promotes strategic, comprehensive, and data-informed decision-making.

Essential Duties and Responsibilities:

Examples of key duties are interpreted as being descriptive and not restrictive in nature. Incumbents routinely perform approximately 80% of the duties below.

1. Oversees and directs the functions and activities of the following Finance Departments: Accounts Receivable/student Accounts; Accounts Payable; Business Office; Budget & Reporting; Contracts & Purchasing (including Risk Management); and, The Grants Resource office.
2. Assist Executive officers in developing and implementing a comprehensive, multi-year financial model to guide strategic financial decision-making and associated projections.
3. Supervises employees, including prioritizing and assigning work
4. Collaborates on the development, implementation, interpretation, and maintenance of policies and procedures for all College financial services and operations, ensuring compliance with accreditation standards; federal, state, and local laws; and, generally accounting requirements and principals.
5. Identifies and assesses current and future organizational needs through process analysis and collaboration with senior management to meet College objectives
6. Ensures application of accounting controls and records maintenance policies. Ensures the accuracy and integrity of the college's finances is maintained.
7. Oversee employee hiring, corrective action, disciplinary and termination recommendations as necessary.
8. Develop and mentor staff to promote services and support constituencies by providing quality customer service. Coordinates, provides, and encourages training as necessary for department.
9. Direct and analyze studies of general economic, business, and financial conditions and their impact on the College's policies and operations

10. Participate on College committees, working groups, and task forces, including the Governing Board's Finance and Audit Committee
11. Oversees and directs preparation and issuance of the comprehensive annual financial report, as well as other required financial audits, reviews, investigations, and reports, ensuring timely and accurate completion.
12. Leads efforts to identify and implement processes and system improvements with the goal of enhanced service and cost effectiveness crucial to the financial success of the College
13. Exhibits strong customer service in all interactions with internal and external constituencies. Collaborates with other departments as necessary in order to meet college objectives and goals.
14. Performs all other duties and responsibilities as assigned or directed by the supervisor.

Knowledge, Skills, and Abilities:

1. Knowledge of regulatory compliance principles and practices.
2. Knowledge of administrative procedures and practices.
3. Skill in people leadership and supervision.
4. Skill in effective communication (both written and oral).
5. Skill in independent decision making.
6. Skill in positive productive, and flexible customer service.
7. Skill in budget/resource management.
8. Ability to develop and maintain effective and positive working relationships.
9. Ability to apply analytical and critical thinking skills as well as draw conclusions and prepare accurate reports of results.

Supervision:

- Executive Level Leadership. Supervises work of other managers, including planning and reviewing work.

Independence of Action:

- Results are defined; employee sets own goals and determines how to accomplish results with few or no guidelines to follow, although precedents may exist; supervisor/manager provides broad guidance and overall direction.

Competencies:

Competencies are the actions and behaviors that can be observed as to how work gets done that supports the College's values and strategic objectives.
