LETTER OF EMPLOYMENT EXPERIENCE

To meet the minimum requirements to teach certain disciplines at Pima Community College, you must submit third-party documentation verifying that you possess the required on-the-job work experience performing duties that closely parallel the discipline.

GUIDELINES

A typical way to verify your experience is to obtain a letter from a current or previous supervisor/employer. If your experience spans across more than one employer, please submit as many letters as needed to equal the required number of years.

Ask your employer to:

1. use company letterhead or otherwise indicate the employer name.
2. show your employment dates (month & year format).
3. indicate your job title or titles.
4. include a detailed description or summary of duties and responsibilities of your position.
5. include the signature and name of company official with his/her title and contact information.
