Project Summary

1. Request for Proposal Summary
Pima County Community College District ("College") is seeking proposals from qualified firms for Identity and Access Management in accordance with the Scope of Work specified in this RFP.

The College currently uses an in-house developed identity management solution. With the increasing number of integrated systems, new compliance requirements, and rate of business process change we are looking for a commercial solution that will meet the new functional requirements. It is important that the flexibility to customize business rules remains. Real-time integration and the ability to manage the large number of identities can not be impacted.

2. Entity Submitting RFP. The terms “vendor,” "offeror," “firm," “consultant,” “company,” or “contractor” used in this RFP or any subsequent documents or communications related to this RFP are interchangeable and mean the entity submitting a proposal and seeking to enter into a contract for the goods and/or services requested in this RFP.
Section 2
Scope of Work

General Outline:

1. Project Scope
This project will implement a modern Identity Access Management System. The system will integrate with all Pima systems to provide single sign-on, automated account, group and password management and provide robust security policies. Implementation consists of installation, configuration and integration with connected systems for both a stage and production environment.

2. Background
The college currently utilizes an in-house password and account management system which operates in real-time with data coming from our canonical source of data, Ellucian Banner. Below is a high level diagram showing how the system operates.
The list of 3rd party integrated systems includes:

The firm is responsible for fully understanding the requirements of a subsequent contract, and shall otherwise satisfy itself as to the expense and difficulties accompanying the fulfillment of contract requirements. The submission of a proposal will constitute a representation of compliance by the firm. There will be no subsequent financial adjustment for lack of such familiarization.

Proposals must conform to all requirements stated below and elsewhere in this RFP. Disregarding these requirements may result in disqualification of the proposal.

A. All proposal materials must be placed in a sealed package (envelope, box, etc.) clearly marked with the proposal name and number and the firm’s name.

The Offeror also certifies whether it is a small business under the federal regulations, and if so, the category of eligible small business.

ATTACHMENT A to AGREEMENT FOR SERVICES

GENERAL TERMS AND CONDITIONS

1. Contractor’s Performance of Services. Contractor shall provide all tools, equipment, and supplies Contractor determines to be necessary to perform the Services.

2. Supervision. Contractor is using its own knowledge, skill, and technical know-how in the performance of the Services and is not being supervised by College.

3. Government Fees; Licenses. Contractor shall be solely responsible for complying with all laws and regulations regarding taxes, permits, and fees as they may apply to any matter under this Agreement. Contractor shall, at its own cost, obtain and maintain in full force and effect during the entire Term all business registrations or licenses required to perform the Services. Upon request by College, Contractor shall demonstrate that it is duly licensed by whatever regulatory body may so require during the performance of the Agreement.

4. Work to Be Performed by Others. College reserves the right to perform any and all services in-house or to utilize the services of other firms on unrelated projects.

5. Warranties.
   5.1. Contractor warrants that the Services will be performed in a professional and workmanlike manner and in conformity with industry standards by persons reasonably suited by skill, training, and experience for the type of services they are assigned to perform.
   5.2. Contractor further warrants that (i) it owns or has sufficient rights in all Deliverables, and no Deliverables will infringe on or violate any intellectual property rights of any third parties; (ii) no code or software developed or delivered by Contractor under this Agreement will contain any viruses, worms, or other disabling devices or code; and (iii) in addition to any implied warranties, all Deliverables will conform to the specifications and descriptions created therefor.
   5.3. To the extent, Contractor warrants that the Services, Deliverables, all electronic and information technology to be provided under this Agreement comply with the accessibility requirements of the Americans with Disabilities Act of 1990, as amended (42 U.S.C. §12101 et seq.) and Section 508 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794d), and maintain Web Content Accessibility Standards 2.0 at Level AA.

6. Scope of Relationship. Contractor is an independent contractor. Neither Contractor nor any of Contractor’s employees, agents, or subcontractors, or their employees or subcontractors (collectively, with Contractor, “Contractor Parties”), shall be deemed employees, agents, partners, or joint venturers of College, and nothing in this Agreement will be construed to authorize either party to act as agent for the other.

   7.1. College’s Intellectual Property All intellectual property that Contractor may make, conceive, discover, develop, or create, either solely or jointly with any other person or persons including College, pursuant to or in connection with the Services, including all intermediate and partial versions (“Contract IP”), will be owned by College, and where applicable, all copyrightable Contract IP will be considered “Work Made for Hire” under the U.S. Copyright Act, 17 U.S.C. §101 et seq. To the extent that any Contract IP is not, by operation of law, agreement or otherwise considered work made for hire for College (or if ownership of all rights therein do not otherwise vest exclusively in College), Contractor hereby irrevocably assigns, without further consideration, to College, all rights, title, and interest to all Contract IP. For purposes of this Agreement, “Intellectual Property”
or “IP” means all forms of legally protectable intellectual property, including copyrights, trademarks, inventions, patent applications, patents and mask works, drawings and/or blueprints.

7.2. **Contractor's Intellectual Property.** Contractor will retain ownership of its pre-existing Intellectual Property, including any of its pre-existing Intellectual Property that may be incorporated into the Contract IP, provided that Contractor informs College in writing before incorporating any pre-existing Intellectual Property into any Contract IP. Contractor hereby grants to College a perpetual, irrevocable, royalty-free, worldwide right and license (with the right to sublicense), to freely use, make, have made, reproduce, disseminate, display, perform, and create derivative works based on such pre-existing Intellectual Property as may be incorporated into the Contract IP or otherwise provided to College in the performance of the Services.

7.3. **College Data** As between the parties, College will own, or retain all of its rights in, all data and information that College provides to Contractor, as well as all data managed by Contractor on behalf of College, including all output, reports, analyses, and other materials relating to or generated by the Services, even if generated by Contractor, as well as all data obtained or extracted through College’s or Contractor’s use of the Services (collectively, “College Data”). The College Data also includes all data and information provided directly to Contractor by College students and employees, and includes personal data, metadata, and user content. The College Data will be College’s Intellectual Property and Contractor shall treat it as College’s confidential and proprietary information. Contractor will not use, access, disclose, or license or provide to third parties any College Data, or any materials derived therefrom, except: (i) to the extent necessary to fulfill Contractor’s obligations to College under this Agreement; or (ii) as authorized in writing by College. Contractor may not use any College Data, whether or not aggregated or de-identified, for product development, marketing, profiling, benchmarking, or product demonstrations, without College’s prior written consent. Upon request by College, Contractor shall deliver, destroy, and/or make available to College any or all of College Data.

8. **Confidentiality**

8.1. If, during the Term, either party is provided with access to or otherwise is exposed to confidential and proprietary information relating to the other party’s business practices, strategies, and technologies, as well as the other party’s confidential information, including personnel records, health and safety reports, or any other documentation of a private or confidential nature, including educational records covered by Section 9, and College Data, covered by Section 7.3 of this Agreement (collectively, “Confidential Information”), the party shall handle and store such Confidential Information in a secure manner so as to prevent that information from being intercepted by unauthorized persons, lost, published or otherwise disseminated. Neither party shall reproduce or otherwise use any Confidential Information except in the performance of the Services, and will not disclose any Confidential Information in any form to any third party, either during or after the Term, except with the other party’s prior written consent.

8.2. Notwithstanding the preceding paragraph, neither party will have obligation to maintain as confidential the other party’s Confidential Information that the party can show: (i) was already lawfully in the possession of or known by the party before receipt; (ii) is or becomes generally known in the industry through no violation of this Agreement or any other agreement; (iii) is lawfully received by the party from a third party without restriction on disclosure or use; (iv) is required to be disclosed by court order following notice to the other party sufficient to allow that party to contest such order; or (v) is approved in writing by the party for release or other use.

8.3. Upon expiration or termination of this Agreement, the parties shall cease using all originals and all copies of Confidential Information, in all forms and media, in the party’s possession or under the party’s control, and shall either (i) promptly return such Confidential Information to the other party; or (ii) where required and/or authorized by law, maintain in a confidential and secure manner until the information is properly destroyed at the end of any applicable retention period.

9. **Educational Records; FERPA.** College is subject to the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g, and any educational records that may be provided to Contractor pursuant to this Agreement.
shall be used solely for the purposes of performing Services under the Agreement and shall not be disclosed except as provided by law.

10. Public Records. The parties acknowledge that College is a public entity subject to the provisions of the Arizona Public Records Laws, A.R.S. §§ 39-121 et. seq. In the event that a public records request is received by College requesting records described as confidential, which College determines must be disclosed, College shall notify Contractor party prior to disclosure.

11.1. If Contractor, or its agents, or any tier of Contractor’s subcontractors in the performance of this Agreement hosts or maintains College’s Confidential Information on its technology, Contractor warrants that the hosting or maintenance of that information meets applicable legal and industry security standards, including qualifying for “safe harbor” rules under applicable data breach laws.
11.2. At all times during the Term, Contractor shall maintain appropriate administrative, technical and physical safeguards to protect the security and privacy of the Confidential Information in use, in motion, and at rest. These safeguards include, but are not limited to, implementation of adequate privacy and security policies and data breach response plans that comply with industry standards and the requirements of applicable laws and regulations, as long as they meet or exceed College’s information security and privacy policies and procedures. Upon request, Contractor shall provide College with copies of those policies and plans.
11.3. Contractor shall maintain and enforce personnel policies that appropriately check the backgrounds of its employees who will be providing services to College. Upon request, Contractor shall provide College with copies of those policies.
11.4. In the event Contractor has reason to believe that an actual or suspected security incident or any other circumstance has occurred in which College may be required to perform a risk assessment and/or provide a notification under applicable law, Contractor shall immediately, and in no event later than twenty four (24) hours, notify the College’s Chief Privacy Officer and the Office of General Counsel. Any such notice shall provide a description about the Confidential Information that was accessed as Contractor has available at the time of the notice. Contractor shall keep the Office of General Counsel updated promptly as additional details about the nature of the Confidential Information become available.
11.5. In the event of a breach, Contractor shall mitigate, to extent practicable, any harmful effect that is known to Contractor of a use or disclosure of Confidential Information in violation of this Agreement by Contractor or its subcontractor. Furthermore, in an event of a breach involving College’s Confidential Information, Contractor shall obtain a mutually agreed upon vendor to provide at no cost to College forensic services, including, but not limited to, the collection of information in connection with a forensic and risk analysis.

12. Indemnification. Contractor shall indemnify, defend, and hold harmless to the fullest extent allowed by law, College, its officers, agents, and employees (“Indemnites”) from any and all claims, demands, suits, actions, proceedings, loss, cost, and damages of every kind and description, including attorneys’ fees and/or litigation expenses, which may be brought or made against or incurred on account of breach, or loss of or damage to any property, or for injuries to or death of any person, or financial loss incurred by Indemnites, caused by, arising out of, or contributed to, in whole or in part, by reasons of any act, omission, professional error, fault, mistake, or negligence of Contractor or Contractor Parties in connection with or incident to the performance of this Agreement. Such indemnification shall specifically include (i) infringement claims made against any and all intellectual property supplied by Contractor and third party infringement under the Agreement; and (ii) claims related to the disclosure of College’s Confidential Information.

13. Use of Names; Trademarks. Neither party shall use the other party’s trade name, trademark, service mark, logo, domain name, or any other distinctive brand feature (“Marks”), or the names of the party’s employees in
any publicity or advertising material without prior written approval by the other party. Contractor’s use of any College’s Marks, if and when authorized, shall comply with the College’s design and drawing specifications.

14. Use of College Property. While on College property, Contractor shall comply, and shall ensure that its employees, agents, and subcontractors comply, with College policies and procedures governing security and privacy, the Drug-Free Environment, Smoking, Weapons, and Anti-Harassment (including Sexual Harassment), all of which can be found here. Contractor’s personnel, agents, and subcontractors shall comply with all reasonable requests of College communicated to Contractor regarding personal and professional conduct, and shall otherwise conduct themselves in a businesslike manner.

15. Compliance Generally. The parties shall comply with the requirements of all applicable state and federal rules, regulations, and executive orders, including the Americans with Disabilities Act (ADA), 42 U.S.C. § 12132, Immigration and Nationality Act (INA), 8 U.S.C. § 1324a, and A.R.S. § 41-4401.

16. Equal Opportunity; Non-Discrimination. The parties shall comply with the requirements of 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a), prohibiting discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, or national origin.

17. Misuse of Public Funds. Contractor warrants that, with respect to any Federal, State, or local government funds: (i) Contractor has not been terminated under section 432 of the Higher Education Act for a reason involving the acquisition, use, or expenditure of such funds; (ii) has not been administratively or judicially determined to have committed fraud or any other material violation of law involving such funds; and (iii) Contractor or its officers or employees have not been convicted of, or pled nolo contendere or guilty to, a crime involving the acquisition, use, or expenditure of such funds, or administratively or judicially determined to have committed fraud or any other material violation of law involving such funds. A breach of the foregoing warranty shall be deemed a material breach of this Agreement. In addition to the legal rights and remedies available to College under the Agreement and law, in the event of such a breach, College shall have the right to terminate this Agreement.

18. Federally-Funded Agreement. If this Agreement is funded through federal contract or grant, directly or indirectly, Contractor shall comply with all applicable provisions of Attachment E.

19. Non-Assignment. This Agreement is personal to Contractor. Contractor shall not assign any of the Contractor’s rights or delegate any of the Contractor’s obligations under this Agreement to any other person or entity without the written permission of College. Any attempted assignment or delegation by Contractor shall be void and ineffective.

20. Referencing of Orders. For each order issued against this Agreement, College intends in good faith to reference the RFP used in procuring the Contractor’s services for pricing, terms and conditions, delivery location, and other particulars. However, in the event College fails to do so, College’s right to such terms, conditions, and particulars shall not be affected, and no liability of any kind or amount shall accrue to College.

21. Price Adjustment for Multi-Year Contracts. Price changes will normally only be considered at the end of one Agreement Term and the beginning of another. Price change requests shall be in writing, submitted at least sixty (60) days prior to the end of the current Term, and shall be supported by written evidence of increased costs to Contractor. College will not approve unsupported price increases that will merely increase the gross profitability of Contractor at the expense of College. Price change requests shall be a factor in the Agreement extension review process. College shall, in its sole opinion, determine whether the requested price increase or
22. **Right to Offset.** College shall have the right to offset against any sums due to Contractor, any expenses or costs incurred by College, or damages assessed by College concerning the Contractor’s non-conforming performance or failure to perform the Services under this Agreement, or any other debt owing College.

23. **Stop Work Order.** College may at any time, by written order to Contractor, require Contractor to stop all or any part of the work called for by the Agreement ("Stop Work Order") for a period of up to ninety (90) days after the order is delivered to Contractor, and for any further period to which the parties may agree. Upon receipt of the Stop Work Order, Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incidence of costs allocable to the work covered by the order during the period of work stoppage. If a Stop Work Order issued under this provision is canceled or the period of the order or any extension expires, Contractor shall resume work. College shall make an equitable adjustment in the delivery schedules, pricing, or both, and the Agreement shall be amended in writing accordingly.

24. **Gratuities.** College may, by written notice to Contractor, cancel this Agreement if it is discovered by College that gratuities, in the form of entertainment, gifts or other were offered or given by Contractor or any agent or representative of Contractor, to any officer or employee of College with a view toward securing an agreement or securing favorable treatment with respect to the awarding or amending, or the making of any determinations with respect to the performing of such Agreement. In the event the Agreement is canceled by College pursuant to this provision, College shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by Contractor in providing such gratuities.

25. **Insolvency.** College shall have the right to terminate the Agreement at any time in the event Contractor files a petition in bankruptcy; or is adjudicated bankrupt; or if a petition in bankruptcy is filed against Contractor and not discharged within thirty (30) days; or if Contractor becomes insolvent or makes an assignment for the benefit of its creditors or an arrangement pursuant to any bankruptcy law; or if a receiver is appointed for Contractor or its business.

26. **Cancellation for Conflict of Interest.** Pursuant to the provisions of A.R.S. § 38-511, College may, within three (3) years after its execution, cancel this Agreement without penalty or further obligation if any person significantly involved in negotiating, drafting, securing or obtaining this Agreement for or on behalf of College becomes an employee or agent in any capacity of any other party or a Contractor to any other party with reference to the subject matter of the Agreement while the Agreement or any extension thereof is in effect.

27. **Non-Appropriation.** Contractor acknowledges that College is a public institution and that the continuation of this Agreement from each fiscal year to the next during the Term shall be contingent upon the obligation of sufficient funding by the governing body for College. College shall notify Contractor party in writing as soon as reasonably possible after the unavailability of funding comes to its attention, but no later than sixty (60) days prior to the end of then fiscal year. This provision shall not be construed so as to permit College to terminate the Agreement in order to acquire similar goods or services from another party.

28. **Force Majeure.** Neither party shall be held responsible for any losses resulting if the fulfillment of any terms or provisions of this Agreement are delayed or prevented by any cause not within the control of the party whose performance is interfered with, and which by the exercise of reasonable diligence, that party is unable to prevent.

29. **No Waiver of Right by College.** No waiver by College of any breach of the provisions of this Agreement by Contractor shall in any way be construed to be a waiver of any future breach or bar the College’s right to insist...
on strict performance of the provisions of this Agreement.

30. Dispute Resolution; Arbitration. In the event of a dispute arising under this Agreement, the parties shall exhaust all applicable administrative remedies provided for under the College Administrative Provisions. Additionally, this Agreement is subject to arbitration to the extent required by A.R.S. §§ 12-133 and 12-1518, and Rule 3.9 of Pima County Superior Court Local Rules.

31. Severability. If any provision of this Agreement is held to be unenforceable, then that provision will be modified to the minimum extent necessary to make it enforceable, unless that modification is not permitted by law, in which case that provision will be disregarded. If an unenforceable provision is modified or disregarded, then the rest of the Agreement will remain in effect as written.

32. Governing Law; Venue. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Arizona, without regard to its conflicts of law principles. Jurisdiction and venue for any dispute arising out of this Agreement shall exclusively rest in the Pima County, Arizona.
