Register Early at Pima
pima.edu/registernow

By registering on time, you are more likely to:

- Get the classes you want
- Protect your financial aid
- Graduate on time
- Get the classes you need
- Pass the classes that you take
- Manage your time more effectively

The College is closed May 25, July 3, Aug. 14 (until 1 p.m.), Sept. 7, Nov. 11 and Nov. 26-29, but you may register and take other actions through your MyPima student account.

Details for summer and fall 2020:

- Summer semester Session A and B (5-week), C (8-week and 10-week) and D (8-week) classes run May 26-Aug. 4, with various beginning and ending dates.
- Fall semester classes run Aug. 19-Dec. 14, with various beginning and ending dates.
Pima offers degrees, certificates, career training, continuing education and customized workforce training, running for various lengths, including five, eight and 16 weeks, and taught in different formats, including online, to be convenient for you. In addition, the Adult Basic Education for College and Career (ABECC) division offers opportunities for its graduates to transition into Pima’s degree and certificate programs.

In this guide, you will find details and contact information for our programs, services, costs, financial aid, admissions, registration and more. Get the latest Pima info at pima.edu or 520.206.4500.

UNIVERSITY Transfer

Pima has transfer partnerships with the University of Arizona, Arizona State University, Northern Arizona University and other colleges and universities throughout the U.S. These partnerships allow students to easily transfer to four-year institutions, saving them money while they gain an excellent education. Learn more on page 11.

Did You KNOW?*

▸ 70% of new Pima full-time degree/certificate-seeking students received some sort of financial aid in 2017-18.

▸ 53% of all transfer students enrolling at the University of Arizona in fall 2018 came from Pima.

▸ Among students enrolled at Pima between spring 2014 to spring 2019:

▪ 9,000+ have graduated from one of Arizona’s state universities; 8,429 from UA.

▪ 165 have graduated from some of the country’s most prestigious colleges and universities, including Princeton, Harvard, University of Chicago, Yale, Massachusetts Institute of Technology and Stanford.

▪ 9,583 have graduated from one of the country’s 200 best colleges and universities, including UCLA, USC, Penn State, Iowa and New Mexico.

*Percentages are approximations
Resources

Pima offers many resources to support and promote student success. The College provides resources to help new and returning students adapt to college life, explore career options, get accommodations for access needs and excel in their classes.

Financial Aid — Helpful staff at campus Student Services centers can explain available grants, loans, scholarships and workstudy programs, and application deadlines, as well as help you determine your eligibility and apply for federal financial aid. pima.edu/financialaid

Advising & Counseling — If you need help determining your classes or program of study, stop by a campus Student Services Center. Our advisers and counselors can help!

pima.edu/advising

Access and Disability Resources — Do you need academic or physical accommodations? Our ADR offices will work with you for one-on-one advising, accommodation/service plans and a variety of other support services.

pima.edu/adr

Tutoring — Struggling in a class? Need some extra help with a tough assignment? Meet with one of our FREE tutors!

pima.edu/tutoring

Career Services — Find out which careers fit your personality. Work with our counselors through career assessments and exploration.

pima.edu/careers

Veterans Services — The College has a Veterans Center at Downtown Campus and veterans study spaces at all campuses, and Pima’s Davis-Monthan Air Force Base Education Center offers classes for airmen and the general public. Veterans Services staff can help you navigate veterans benefits, learn about Pima services and access other veterans resources in the community.

pima.edu/veterans

Study Abroad — Pima students have various opportunities to study abroad.

pima.edu/studyabroad

Immigrant and Refugee Student Resource Center — The center is based at Downtown Campus and offers information and resources related to immigration policy that directly impacts students.

Aztecs Athletics

For the third consecutive year, in 2018-2019, Aztecs Athletics had more than 30 individual student-athletes earn NJCAA All-Academic honors, with 31, including 10 student-athletes with perfect 4.00 GPAs. Plus, according to the NATYCAA, Pima was the 17th most successful community college program in national championships, and fourth best among schools without dorms. Pima has 15 NJCAA-sanctioned teams.

**Diversity, Inclusion and Global Education**

Pima is a federally designated Hispanic Serving Institution and ranks in the top 20 among more than 1,100 U.S. community colleges in awarding associate degrees to Hispanics.

In 2019, Pima received the Association of Community College Trustees’ Pacific Regional Equity Award for furthering diversity, equity and inclusion among students and the community. In recognizing Pima, the ACCT cited the College’s support of Deferred Action for Childhood Arrivals (DACA) students.

In 2018, Pima was the first community college honored by the Association of International Education Administrators with its Innovation in Internationalization award. Pima’s International program was recognized for promoting internationalization with a community focus.
Activate your MyPima account: mypima.pima.edu
After you register for classes, you will have a MyPima email account.

MyPima is where Pima students can:
- Register for classes (plus, add, drop or withdraw)
- Sign up for New Student Orientation
- Access D2L - Pima’s online learning environment
- Look up faculty and staff contact info
- Find maps and directions
- Check Pima semester and events calendars
- Check for updates on their financial aid status (MyPima Financial Aid tab), their Financial Aid Messages and their Pima student email account.

Admissions Counselors
- pima.edu/recruiters
- recruitment@pima.edu
- @MyPimaFuture
- 520-206-4500

Admission & Financial Aid
- Apply for admission: pima.edu/getstarted
- Apply for federal financial aid: fafsa.gov
  (use the Pima Community College code: 007266)
- Learn about scholarships: pima.edu/scholarships

Connect U
- Sign-up for Connect U, pima.edu/connectu
  - You’ll take a campus tour to find your classrooms, get your Student ID Card, verify your financial aid status and learn more about Pima resources available to help you succeed in college.
Complete the Free FAFSA Application

▸ Complete the Free Application for Federal Student Aid (FAFSA) ➔ fafsa.gov (Pima’s school code is 007266)

Review Student Aid Report

▸ Your FAFSA results will be mailed or emailed to you as a Student Aid Report (SAR). Carefully read the SAR. If you find errors, make corrections online at fafsa.gov.

Finalize Documents

▸ The U.S. Department of Education will send an electronic version of your FAFSA to Pima. After Pima receives the electronic record, staff will determine if any other information is needed to complete your file. Pima will post these requirements to your MyPima Financial Aid tab. The needed items will be indicated with a red “X”.
▸ Processing of your application may take two to three weeks from the date the College receives your FAFSA and any other requested documentation.

Check MyPima for Updates

▸ Regularly check your MyPima Financial Aid tab, your Financial Aid Messages and your Pima student email account for updates on your financial aid status.

Save Time and Money: Ask about getting Credit for Prior Learning

The finish line to your college degree is closer than you think. You may be able to receive credit for college-level knowledge gained through:

▸ Work experience & job skills
▸ Employer training programs
▸ Volunteer or community service
▸ Open source courses or self study
▸ Military education & occupations

Students may earn up to half of the credits required for a degree or certificate.

The HPOG grant ends Sept. 29. Call for more information on availability.

HPOG HOPES
Opportunities for help with School-to-work Healthcare training at PCC

Health Career Opportunities with Personalized Educational Supports

520.206.5250 pima.edu/hpog

Program funding is provided by the U.S. Department of Health & Human Services, Administration for Children & Families. This document was supported by Grant 90FX0036 from the Administration for Children & Families, U.S. Department of Health & Human Services (HHS). Its contents are solely the responsibility of the authors and do not necessarily represent the official views of HHS. HPOG is a study funded by the federal government which is being conducted to determine how these training opportunities help people improve their skills and find better jobs. During the study, all new eligible applicants will be selected by lottery to participate in these training opportunities. Not all eligible applicants will be selected to participate in these opportunities.
