You are invited to take part in a Student Virtual Town Hall with Pima’s executive administrators and your Student Senators on **May 1 from 3-5 pm.**

At the Town Hall, you will hear from Chancellor Lee D. Lambert, Provost and Executive Vice Chancellor Dolores Durán-Cerda, and President of Campuses David Doré.

This is your opportunity to ask questions and share insights with your fellow students on how COVID-19 is shaping your education and your future. Pima needs to hear from students: What’s working? What’s not working? What do you need to continue on your path to academic success?
