Where are camps held?

- Camps are held at three Pima Community College campuses: East, Northwest, West
- Fitness activities are held at: Kodenkan of Tucson Martial Arts & Fitness, Fort Lowell Tennis Center and Flor de Liz Dance Studio

If my child enrolls in morning and afternoon camp, what do I do about the lunch hour?

- Full day campers are asked to bring a healthy sack lunch, a few snacks and plenty of water each day.
- Onsite coordinators pick up each full-day camper from the morning camp and escort them to a dining area.
- The one hour lunchtime is monitored by the onsite coordinator. After eating, campers are allowed free time for quiet activities and are then escorted to their afternoon camp.
- Lunchtime care is only provided for full day campers registered for the Full Week camp (PA 990) and campers enrolled in the Elements of Babysitting 101 (HS 911).

Who works at Pima for Kids Camp?

- Pima for Kids instructors and site coordinators have completed the hiring process which includes review and approval by the Board of Governors and a current background check.

Do camps ever get canceled?

- Although this is not a frequent occurrence, if enrollment is too small to cover expenses, a camp would be cancelled. In the event of a cancellation, Continuing Education staff has been highly successful in finding another camp section to meet the needs of parents and children.
- In the event a suitable replacement camp is not found, you will receive a full refund.
