Associate of Arts, Liberal Arts Arizona General Education Curriculum-Arts

### **Presentation of Degrees**

Be kind. Respect your classmates and, after, receiving your scroll, please return to your seat and do not leave the arena floor until the ceremony has ended.

### **Conferring of Degrees**

### To the Class of 2025

Congratulations! Your hard work and dedication have paid off. On behalf of the faculty and staff here at Pima Community College, we are all very proud of you.

A college graduation is important. It is a time of passing through to the next stage of your lives and the beginning of an exciting chapter filled with new opportunities and challenges. On this special day, take a moment to reflect on the obstacles you've overcome and the triumphs you've achieved.

Remember to embrace every experience, learn from every setback, and never stop pursuing your dreams. Learning is a lifelong journey, and your education here at Pima has built a solid foundation for you to grow and succeed, and we have no doubt you will make a significant impact on the community and the world.

Go forth with confidence, courage and a passion for your chosen path. The future does not wait — take the lead!

Jeff P. Nasse, Ph.D. *Chancellor* 

### Congratulations, Pima Community College Graduates!

On behalf of the Governing Board of Pima Community College, I want to extend our warmest congratulations to the graduating class of 2025. Your persistence, resilience and commitment have brought you to this moment, and we couldn't be prouder. As you move forward, take with you the knowledge, values and connections you've built here at Pima. Use them to create meaningful change in your lives and in the world around you. You are the future leaders, innovators and changemakers of our community. We can't wait to see all you will accomplish.

Congratulations!

nex Sayla

Greg Taylor, Chair Pima Community College District Governing Board

GOVERNING BOARD Nicole Barraza, Ph.D., *District 1* Greg Taylor, *District 4*  Theresa Riel, *District 2* Karla Bernal Morales, *District 5*  Kristen Ann Randall, District 3

3

### Commencement Speaker

### **Alexandra Marie Belford** Associate of Arts, Liberal Arts

### Arizona General Education Curriculum-Arts

Alexandra Marie Belford, was born in Akron, Ohio, and, at 5 months old, adopted in Las Vegas. Her family moved to Tucson when she was 3. She says her unique personal background and life experience have dramatically influenced her aspirations to pursue a legal career.

Alexandra describes herself as hardworking and hungry for knowledge. Her academic success and volunteer activities while at Pima support that. She is graduating Pima with High Honors and hopes to transfer to a university and earn a law degree.

She volunteered on projects related to fair housing and essential services, such as restoring hot water and getting gas leaks repaired, as well as ensuring compliance with Americans with Disabilities Act (ADA) requirements. She also worked as a Direct Care Worker for United Cerebral Palsy of Southern Arizona.

Ultimately, she wants to be an international human rights lawyer, along the way having her own law firm.

She believes she was made to lead, defend and protect – "to fight back in a legal and ethical way!"

"I'm a firm believer in paying it forward and not forgetting where you came from and all that helped you," she said in her Commencement Speaker application. "I believe in leaving a place better than you found it."

### **Class of 2025 Student Community Representatives**

### Al-Shariah Muhaddath

Associate of Arts, Liberal Arts Arizona General Education Curriculum-Arts

My time at Pima Community College has given me the confidence to be strong and face adversity. As a minority who grew up in a large, protective family and was homeschooled my entire life, starting at Pima — my first school experience — was a major transition, and I truly wouldn't have chosen any other place. At Pima, there is no such thing as being alone or feeling ashamed; every professor, peer and faculty member has shown genuine care and support. Whether I struggled academically or personally, Pima was always there — not just with academic help, but with resources for nearly every challenge life presented. This supportive environment has not only shaped who I am today but has also had a powerful impact on the entire community by creating a space where people from all walks of life are welcomed, supported and empowered to succeed.

### Andres Leonardo Zavala Quijada

Associate of Science Arizona General Education Curriculum-Science

My time at Pima Community College has shaped me into who I am today by teaching me the foundations of how the universe works through science. It showed me the importance of how to change my way of thinking to adapt and view problems from different angles when solving them. It has had an impact on the way I see the world and improved my ability to use the scientific knowledge I learned to find simpler solutions to problems I encounter in everyday life, in work environments, and in STEM internships. Pima is a core and helpful part of the community by providing higher level education at affordable prices that allow for an easier path to find better opportunity. Pima also makes an impact through its efforts to celebrate, and spread awareness and education about different cultures that make up the student body.

### Sendalia Perez

Associate of Arts, Liberal Arts Arizona General Education Curriculum-Arts

My time at Pima Community College has been truly life-changing. Returning to college later in life, I faced many fears and challenges, especially with the rapid changes in technology, online learning and digital textbooks. Throughout my journey, when life's challenges arose, the professors responded with compassion and support, providing resources, answering emails quickly, and allowing flexibility for late submissions with genuine understanding and care. Their encouragement helped me realize that no dream is too big when you have a strong support system and a community that believes in you. Through its unwavering commitment to student success, Pima has built a legacy of hope and empowerment — one that I am deeply honored and proud to be a part of.

## Pima Commencement Ceremony and Regalia Background

Pima Community College generally requires that graduates wear traditional "cap and gown" academic regalia during the commencement ceremony. At the same time, Pima also embraces graduates' self-expression, both reverent and light-hearted, as part of the ceremony. Graduates may and often do personalize or supplement their traditional graduation attire to reflect their own traditions, achievements and personalities. There may also be times when wearing alternate ceremonial attire, other than a traditional cap and gown, enhances the commencement ceremony for the graduate while still honoring the importance of the occasion.

The tradition of wearing caps and gowns at Pima Community College graduation ceremonies began in the mid-1980s. During the procession, Pima graduates,

administrators and faculty members wear colorful academic regalia that has an interesting history and symbolism.

The costume was created at ancient European universities and was worn daily to distinguish academic persons, such as doctors, masters, licentiates and

bachelors, from other populations. It evolved further as colleges and universities adapted the gown, hood and cap from early European versions. Each costume has a distinct meaning.

The doctoral gown has velvet panels and sleeve bars in the distinctive color representing the field of learning and immediately identifying the doctor's degree. The master's gown is identified by the sleeve that drapes freely to the wrist, with the back of the sleeve extending down below the knee in a crescent shape. The distinguishing feature of the bachelor's gown is the official pointed sleeve, lavish in its drape and fullness. The simplest style indicates the gown of the associate degree candidate. The Intercollegiate Code dictates colors on the academic hood that relate to various fields of learning: Light blue represents education; brown, fine arts and architecture; peacock blue, public administration; apricot, nursing; citron, social work; and sapphire blue, business administration.

Students graduating with honors who belong to the national scholastic honor society Phi Theta Kappa, wear a gold hood and tassel. Some also will wear pewter medallions hanging from a red, white and blue ribbon, signifying that they have completed the Student Medallion Leadership Institute. During the ceremony graduates will move their tassels from right to left, as instructed, to complete the conferring of degrees.

During the processional, the Chancellor is traditionally preceded by the bearer of the academic mace. The academic mace has become the symbol of the power of colleges and universities to confer degrees to candidates who have earned the privilege of the degree.

The Pima Community College mace is constructed of materials native to Arizona: Mesquite; turquoise and copper. It was designed by Pima's Media Production and Publications department.

The mace and base were commissioned for fabrication to local artisans: Ken Tower, a retired instructor from Flowing Wells High School, for the mesquite woodworking; Shane McPherson of Mac's Indian Jewelry, for the creation of the turquoise-inlaid copper rings and the turquoise inlay to the seals; and Desert Crucible Inc., a local art foundry, for casting the bronze College seal.

# **2025 Class Profile**

A total of 4,714 Pima Community College students have graduated or are candidates for graduation at the May ceremony. The average age of our graduating class is nearly 28. About 55% of graduates are ages 16-25, while nearly 45% are ages 26 or older.

The oldest graduate is 72 and earned a Post Degree Certificate Paralegal/Legal Assistant in December 2024.

The youngest is 16 years old and is poised to earn a Certificate in Emergency Medical Technology in June, 2025.

The College expects to award 4,136 degrees and certificates and 1,847 Arizona General Education Curriculum (AGEC) Certifications to these students. Many Pima students earn more than one certificate and/or degree.

A total of 180 graduation candidates, or 8.42% of the 2,137 associate degree candidates have a grade point average of 3.90 or greater and meet the requirements for graduation with highest honors.

### Among the College's associate degree programs, these have the highest number of graduation candidates\*:

782	AA Liberal Arts	34	AGS General Studies
225	AS Science	32	AAS Programmer Analyst
174	AB Business Administration	31	AAS Health Information Technology
153	AAS Nursing	29	AAS Veterinary Technician
69	AAS Cyber Security	29	AAS Automotive Technology
56	AFA Visual and Performing Arts	26	AAS Dental Hygiene
47	AAS Business	24	AAS Early Childhood Studies
46	AAS EMT Paramedic	22	AAS Digital Arts
37	AAS Aviation Technology	22	AAS Radiologic Technology
37	AAS Digital Film Arts and Animation	22	AAS Welding and Fabrication
35	AAS Networking/Cyber Defense		

AA - Associate of Arts // AFA - Associate of Fine Arts // AGS - Associate of General Studies // AAS – Associate of Applied Science \*All other associate degree programs within the College are graduating 19 or fewer students.

#### The degrees and certificates to be awarded are:

1,871	Certificates	128	Post-Degree Certificates
866	Associate of Applied Science	56	Associate of Fine Arts
782	Associate of Arts	34	Associate of General Studies
225	Associate of Science	1,847	AGEC Certifications
174	Associate of Business		

The ethnic composition of the graduating class is:

American Indian or Alaskan Native	60	1.27%	Native Hawaiian or Pacific Islander	13	0.27%
Asian	147	3.10%	Race and Ethnicity Unknown	170	3.59%
Black <i>or</i> African American	259	5.46%	Two <i>or</i> More Races	134	2.83%
Hispanic/Latino	2,357	49.72%	White	1,601	33.77%
