IMMIGRANT AND REFUGEE INFORMATION,
RESOURCES AND REFERRAL SERVICES

We are Here to Support You

Pima Community College provides a welcoming environment for a diverse student body, including immigrants, refugees, individuals covered under the Deferred Action for Childhood Arrivals (DACA) program, undocumented students, and students from mixed-immigration status families.

We understand the unique challenges you face and are here to help connect you with legal experts. Our Immigrant and Refugee Student Resource Center's Ambassador/Internship Program, Pima ColLegal, was developed in collaboration with our Paralegal Program and local attorneys. This program offers interns valuable hands-on experience and a unique service-learning opportunity by working alongside external participating attorneys. These attorneys may, at their discretion, provide discounted or low-cost legal immigration services.

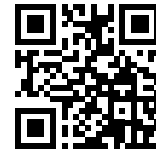

We Offer Support for
